**Proceedings: (In Chambers) Order to Show Cause Why Action Should Not Be Dismissed for Failure to Prosecute**

Absent a showing of good cause, an action must be dismissed without prejudice if the summons and complaint are not served on a defendant within 90 days after the complaint is filed. See FED. R. CIV. P. 4(m). Generally, a defendant must answer the complaint within 21 days after service, or 60 days if the defendant is the United States. See FED. R. CIV. P. 12(a).

In the present case, it appears that one or more of these time periods has not been met as to Defendant. Specifically:

- ☐ Proof of service of the summons and complaint
- ☒ Answer by the defendant or an application for entry of default pursuant to Federal Rule of Civil Procedure 55(a)
- ☐ Motion for default judgment set for hearing in accordance with the Local Rules and the Court's Standing Order

Accordingly, the Court, on its own motion, orders Plaintiffs to show cause in writing on or before **January 24, 2024** why this action should not be dismissed for lack of prosecution.

It is Plaintiffs' responsibility to respond promptly to all Orders and to prosecute the action diligently, including filing proofs of service and stipulations extending time to respond. If necessary, Plaintiffs must also pursue Rule 55 remedies promptly upon the default of Defendant. All stipulations affecting the progress of the case must be approved by this Court. See L.R. 7-1.

No oral argument of this matter will be heard unless ordered by the Court. The Order will stand submitted upon the filing of a responsive pleading or motion on or before the date upon which a response by Plaintiffs is due.

**Plaintiffs are expressly warned that failure to timely file a response to this Order will result in this action being dismissed without prejudice as to Defendant for failure to prosecute and comply with court orders. See FED. R. CIV. P. 41(b).**

**IT IS SO ORDERED.**
